2009-2010
Salt Lake Figure Skating
Volunteer Credit Hours – Tracking Form

All forms are due to the Volunteer Chair no later than October 31 of each year.

Name _____ Phone # _____

Please complete the following table indicating each task or service you have performed for the club:

Job Description	For which event?	Date worked	# of hours	Verified by: (chair initials)

Each member should fill out this form after they have volunteered time or services to the club. This tracking form should then be submitted to the club's Volunteer Chair, who is responsible for tracking the volunteer hours of our members. Volunteer hours are necessary in order to be eligible for financial aid.

You may fill out and submit forms more than once a year in order to prevent losing the forms or losing track of your volunteer hours. Please deposit forms into the Club's mailbox.

We thank you for your help and support! We cannot run this club and support our members without everyone's help!
