

# SALT LAKE FIGURE SKATING MEMBERSHIP APPLICATION 2010-2011

## Levels of Membership

**INTRODUCTORY (Voting):** If you are just beginning to skate and are currently enrolled in Learn to Skate classes or have never been a member of US Figure Skating, this would be the level for you. Benefits include a subscription to *Skating* magazine, the ability to participate in club-sponsored activities such as Ice Shows, Exhibitions/Recitals, and the End of Year Banquet. You may also compete in all US Figure Skating sanctioned events under the SLFS name and you may purchase skating apparel bearing the club logo. This is for first time members and can only be used for your first year of membership.

**FULL MEMBER (Voting):** If you are a competitive skater who will be testing and competing throughout this next season then this is the level for you. Full members have all benefits and privileges allowed by the club including participation in all club-sponsored activities, free admittance to Club Ice, opportunity to apply for SLFS Skater Recognition Program (if you meet eligibility requirements), reduced fees for test sessions, the opportunity to purchase skating apparel bearing the club logo, a subscription to *Skating* magazine and for those over the age of 16, the right to vote at General Membership meetings.

**ADDITIONAL FAMILY MEMBER (Voting):** If you have two or more members of your family who would like to be Full members of the club then this level is perfect for you. After the initial member pays the Full Member fees then each additional member can join at a reduced rate but still receive all the benefits of Full Membership (see above).

**PARENT PARTNER (Voting):** We feel that it is important that every member of the club have a say in what happens and as only those who are 16 and older may vote, we have instituted the role of “Parent Partner” as a mandatory level of membership for all of our younger skaters so that their parents may represent them at General Membership Meetings to vote on budgets, bylaw changes, nominations to the board of directors and any other club business which requires a vote. This allows all parents who sign up for this level to be considered and eligible (if they so desire) to be nominated to a board position. This level also applies to adults who want to join the club but are **not skating**.

**ADULT SKATING MEMBER (Voting):** If you are an adult skater over the age of 18 and you are not interested in participating in weekly Club Ice then this is the level for you. You will receive all of the benefits of Full membership (see above) including Club Ice. Adult skating members are also eligible to be nominated to a board position if they so desire.

**ASSOCIATE MEMBER (Non-voting):** If you are currently a member of another club but you would like to be involved in some of the club-sponsored activities hosted by SLFS then this is the level for you. Your Home Club status would not change but you would have the opportunity to participate in Ice Shows or Exhibitions/Recitals and you may skate on club ice.

**COACH MEMBERSHIP (Voting):** There are 2 levels of Coach Membership—Home Club and Associate Member. The Home Club level would entitle you to claim SLFS as your home club with all the rights and privileges afforded to Full Members and include having your bio and head shot on the “Pros” page of our club website and in any club brochures used for marketing/sponsorships. As a SLFS Home Club coach you would be compensated, as determined by the Board, for your participation in events such as Ice Shows. For Associate Member coaches you will retain your Home Club status and may be included in the “Pros” page on the website subject to board approval. Associate coaches must be a primary coach at another location. Prior to membership approval at this level, professional credentials must be submitted and verified. SLFS will pay for the USFS mandatory background check if coaches are a Home Club coach.

**JUDGE MEMBERSHIP (VOTING):** Available to eligible USFS judges. You will be provided with a rulebook and are eligible to vote in the General Membership meetings as well as be considered for a board position.

Both of these events, in addition to our regular volunteer opportunities (including the Ice Show in the Spring 2011) provide easy opportunities to get involved. Please print your information below.
